A New Tuition Centre

Introduction to running a Tuition Centre: Receive Info Packs by e-mail

Dear Pastor

Thank you for enquiring about running a Tuition Centre for your church members. Calvary Life Tutors (**CLT**) has an exciting solution and will inform you in a simple format, yet saying enough to understand the Calvary way. The following introduction and diagrams are written for you to make a decision. We hope that it will be of real help to you as you consider the Calvary courses.

Applicant Data (example in this document, the blank form is in the Starter Pack)

Your first step is to fill in this form. By the time you have read the **Starter Pack** you can make a decision. When you have appointed the main two officials, we will then issue your three digit Tuition Centre number.

Registration Costs

As soon as you fax the **Applicant Data** to us we will send you a package covering information about accreditation. This includes a few printed books which are your reference documents for running the Centre. The cost to register a Tuition Centre is **free** for CQA evaluation. We suggest you buy a **Phase 1** set of text books to study the course and show prospective students.

Immediate Benefits

The benefits are many. If a Calvary student moves to your town you will be considered **to facilitate** since your Centre gets onto a **list** (if the TC is active). You may also receive our DVD (R20) onto which we have copied free resources such as software, e-books, pdf's and downloaded Websites.

Foundation and Recognition

We have implemented a **Charter** that is signed by 270 Bible Schools (TC's) to give your students security. It ensures students that what they do (about 55% of all in the ministry) is recognised as credits through **RPL** at **SAQA** and **Calvary University** or others, as many have done and are now employed as Chaplains. Students register for an e-learning **degree** at **CU** and be mentored locally to complete such **RPL** qualification.

Please pray this opportunity into reality as the Lord leads.

Overview of Programmes

Previous: Cert or Dip. As before: A5 format, in Eng & Afr, (now phased out)

New Format Text Books **Advanced:** A4 format, published in Eng & many Afr

A major upgrade in our Ministry materials was done for the new Church Life Programme. Students who start, now make use of the new format at a better readability. It combines with the Readers, Skills and several new books.

Practical Skills

A range of life skills (study, personal and communication) have been prepared and will now be implemented in every level of learning. It also includes IT skills.

Reading Material **Course design:** Self reading as well as recapping in class

These twelve new textbooks are of excellent quality and are published to add lectures that contain the full text. They deal with Bible books, prescriptions of Christ and various Christian values. It also deals with Marriage and Family.

e-Learning DVD Resources

We are providing DVD's to go with each Phase (year). They provide pdf's in colour for the lectures as well as web pages on the same topic as the lectures.

Internet Access **Access:** Free for registration and 2017, until there is full content.

From 2017 we will be running a site under the name **Calvary Academics Platform** to provide resources to all our students. It will contain e-learning content and tests.

Certificate in Christian Discipleship Books in English & some in Afr

This is the new material which can truly be called e-learning. The five above items are combined in this course labelled as "Calvary Academics". It is for the student who wants to live a full meaningful Christian life, to be useful in the general body ministry of the church. This active and involved study will allow a student to be used as a worker or leader. Further programmes allow such students to continue to the Diploma in Leadership, through an RPL Bachelor and even up to a Doctorate.

Calvary University **See Web Sites:** www.calvaryu.com and: www.clt.org.za

All our students who continue to a degree, Honours, Masters, Doctorate and PhD register with this e-learning university, which was accredited in SA in 2012. We now mentor graduate students. The Department of Education have privately commended us for being on the forefront of mentoring in South Africa.
