

Dear Pastor, Dean and Administrator,

December 31st, 2010

Adding up all the figures we survived the year 2010 fairly well with an increase of 15,3%.

Our Best Wishes for the Awaiting Year: 2010

The Lord gave us the Words "Times of Refreshing" to be a prophetic word in 2010. May you take this word and nurture it in your heart and speak it out by your mouth to bring down God's blessings on you and your congregation during all the times in 2010.

When we have some news about Calvary University, we will share it by e-mail to you. In the mean time you will have received the PowerPoint presentations prepared for administering the new Church Life programme. It will be a great help to you.

The CLT Board
