Dear Pastor, Dean and Administrator,

New Books

Strengthen your Willpower is out in the new format. Last time we mentioned Ministry Praxis MPX1 the workbook for Phase 1. R30. It goes with the updated Study Guide MSG R20. These two are needed for each student because they work through it during the whole year.

Masters and Doctoral Candidate Class

This will be held on the 9th only because Angus has his MMC event the next week. Half the country will be there. He expects 400,000 men. Compare that to the Soccer event where 300,000 overseas visitors will be spread out over 10 stadiums.

Easter

As we celebrate the Lord's Supper as well as Resurrection Sunday, I thought of attaching two poems and a portion of Scripture which is a collage from three gospels and a letter. Please notice the order of events as penned down by Luke 22:14-20. Cup-bread-cup.

The CLT Board

Enjoy this week. More news soon.
