Dear Pastor, Dean and Administrator,

1. Calvary University

We are still making preparations for the university to be established in South Africa. No graduation is planned due to the absence of a secure date for the finalisation of their various matters. We would like to announce several of the details should this be finalised. We prepared some documents in the mean time.

2. Prospectus 2011

Attached to the email is the **Student Prospectus** which gives all the details of the **Church Life** programme as you may clarify it to your students. Fees, curriculum, etc.

3. Centre Guide 2011

The **Centre Guide**, on the other hand, gives details and prices reserved only for the Tuition Centre. The three phases without CD's come to R1550 each.

4. Prices and Fees 2011

A third document attached as pdf to the email is the **Mentor Fees** list. The 27 assignment B.Min costs R5,840 which includes the mentor fee of 40%. We recommend that you charge R2,900 per phase, out of which you purchase the text books.

5. Please Pray for Lorenza

Our dearest co-worker in the Lord for 12 years is still very weak and has now started a series of chemo-therapy. The cancer in the liver is causing it to swell. Would you please drop her an **sms** on her private cell no: 082 3956 144 Please?

6. Certificates and Accounts

It's certificate time. You know our rules: Clear the account at the end of the year. The account is a privilege – and I sometimes think we are absolutely crazy to give credit when no-one else does! What do you think — would you have done this?

May God bless you ministry,

The CLT Board

P.S. As has been appreciated in the past, a poem on John 1 is hereby attached.
